**Protrada CEO & Founder Troy Rushton to Join
Trump, Robbins & Kiyosaki Live On Stage in San Jose, CA**

Santa Monica, CA, Tuesday April 3rd 2012 – Protrada CEO and Founder **Troy Rushton** has been invited to join one-man-brand **Donald Trump**, Mr Motivation **Anthony Robbins** and Rich Dad creator **Robert Kiyosaki** at the **National Achievers Congress 2012** in San Jose.

Troy will be headlining the **domain name investing** session of the three day conference starting April 10th and concluding April 12th to an audience of around 8,000.

This is the beginning of a program being rolled out by Protrada to take domain name investing to a new mass audience of qualified investors across the entire spectrum of asset classes from real estate to options trading.

The focus of Troy's presentation will surround the myriad of **benefits domain name trading** offers investors; the **ease of using Protrada** as the primary platform for domain buying, selling, management and development as well as teaching the **tactics and strategies employed by the most successful domain name traders**. Troy will be presenting a program which has been a collaboration of many key influencers in the domaining space including; **Morgan Linton** (*morganlinton.com*), **Adam Dicker** (*DNForum*), **Paul Nicks** (*Go Daddy*), **Braden Pollock** (*Legal Brand Marketing*), **Paul Goldstone** (*igoldrush.com*), **Shane Cultra** (*domainshane.com*) and many more. They have all played an important role in providing content, ideas and commentary for this seminal presentation.

"Introducing domaining to a new audience will greatly benefit the industry as a whole," said [Troy Rushton](#), CEO and founder of Protrada. "Every time I attend industry conferences, domainers tell me the greatest barrier to industry growth is a lack of liquidity which would be remedied by new investors. We have an opportunity to help solve that problem for the benefit of all stakeholders and that's exactly what I'll be doing at NAC 2012 in San Jose."

A small number of tickets to the event are still available in both the **General** and **VIP** areas. **Diamond Tickets** are strictly limited as purchasers enjoy extraordinary benefits including lunch each day of the Congress with Messrs Trump, Robbins and Kiyosaki and a special 'Power Talk' Q&A session with *'The Donald'*.
